Plaintiff DTiQ Technologies, Inc. and Defendant Hawk Technology Systems, LLC, which has not yet made an appearance in this case, stipulate to extend by twenty-one (21) days the deadline for Defendant to file a response to Plaintiff's complaint. The complaint was filed on November 6, 2020, Dkt. 1, and the summons was served on November 9, 2020, Dkt. 6, meaning Defendant's deadline to file a response under Rule 12(a) of the Federal Rules of Civil Procedure is November 30, 2020, absent this stipulation. With the Court's approval of this stipulation, Defendant's deadline to file a response to Plaintiff's complaint is December 21, 2020. This is the parties' first stipulation to modify Defendant's deadline to file a response to the complaint, and the stipulation is intended to advance settlement discussions.
